THE POLLS WILL BE OPEN FROM 8:00 AM TO 7:30 PM  
TUESDAY, MARCH 12, 1996

BUSINESS MEETING STARTS AT 7:30 PM ON  
WEDNESDAY, MARCH 13, 1996

AT THE BROOKLINE ELEMENTARY SCHOOL

To the inhabitants of the Town of Brookline in the County of Hillsborough in said State, qualified to vote in Town Affairs:

You are hereby notified to meet at the Brookline Elementary School in said Brookline on Tuesday, the twelfth (12th) day of March at 8:00 a.m. to act upon the following subjects.

1. To choose all necessary Town Officers for the year ensuing.
2. To raise such sums of money as may be necessary to defray town charges for the ensuing year and make appropriations of the same.
3. To hear reports of Agents, Auditors, committees, and all other Officers heretofore chosen, and pass any vote relative thereto.
4. To see if the Town will vote to establish a municipal fire department, pursuant to RSA 154. This department will be known as the Brookline Fire Department and, pursuant to RSA 154:1 (I)(e), will have a form of organization, effective March 14, 1996, that results in three firewards. This section to become effective immediately on its passage, pursuant to RSA 154:1 (deadline provision), and the two existing firewards, (fire engineers), whose term is unexpired, together with the fireward elected in March 1996 town elections shall constitute the first Board of Firewards empowered to serve under this organization, thereafter to be elected pursuant to RSA 669:17, with a fire chief and firefighters appointed by the firewards, or take any action relative thereto.
5. To see if the Town will vote to authorize the Fire Engineers to sell the 1968 Fire Truck and use the money from the sale to buy new equipment, or take any action relative thereto.
6. (By Petition) To see if the Town will vote to raise and appropriate the sum of \$10,000.00 for the purchase of protective clothing, insurance, training, salary, physical, and etc. for the additional 5 Firefighters to the Brookline Fire Department.  
(Not recommended by the selectmen and finance committee 6-0)
7. To see if the Town will vote to raise and appropriate the sum of \$30,000 to add a "Sally Port" to the existing town hall for use by the police department, or take any action relative thereto. (Recommended by the selectmen and finance committee 3-3)

8. To see if the Town will vote to create a Hazardous Materials Contingency Expendable Trust Fund, and to raise and appropriate the sum of \$2,500 to be placed in this fund, and to authorize the Board of Selectmen and Emergency Management Director to expend the principal and interest as the need arises. (Recommended by the selectmen and finance committee 6-0)

9. To see if the Town will vote to raise and appropriate the sum of \$25,000 for road/bridge improvements, or take any action relative thereto. (The plan is to rebuild Bohanon Bridge in 1996.) (Recommended by the selectmen and finance committee 6-0)

10. To see if the Town will vote to raise and appropriate the sum of \$10,000 for additional legal expenses that may be incurred by the town, or take any action relative thereto. (Recommended by the selectmen and finance committee 6-0)

11. To see if the Town will vote to raise and appropriate the sum of \$10,000 to computerize the circulation and cataloguing information at the Brookline Public Library, or take any action relative thereto. (Recommended by the selectmen and finance committee 4-2)

12. To see if the Town will vote to raise and appropriate the sum of \$9,400 to be used at the new ball field at the Brookline Elementary School to cut in the baseball diamond; install 180 ft. of fencing; to bring in a screening plant for loam and to include labor to run it; and to hydroseed the field, or take any action relative thereto. (Recommended by the selectmen and finance committee 6-0)

13. To see if the Town will vote to urge our representatives to the General Court of New Hampshire and the United States Congress to pass laws reforming electoral campaign financing, thus returning the political process to the will of the people and encouraging the participation of candidates with great ability and limited means.

14. To see if the Town will accept the following legacies:

1. The sum of Two Hundred Dollars to be used for the perpetual care of the Roy and Constance Ward Lot, #195, Pine Grove Cemetery.

2. The sum of Two Hundred Dollars to be used for the perpetual care of the G. Nye Lot, #67, Pine Grove Cemetery.

3. The sum of Two Hundred Dollars to be used for the perpetual care of the Neil & Shirley Johnson Lot, #336, Pine Grove Cemetery.

4. The sum of Two Hundred Dollars to be used for the perpetual care of the Winfred and Beatrice Creighton Lot #199, Pine Grove Cemetery.

5. The sum of One Hundred Dollars to be used for the perpetual care of the Charles Higgins and Emily Bagley Lot, #SF11, Pine Grove Cemetery.

6. The sum of One Hundred Dollars to be used for the perpetual care of the Wayne M. & Mary E. Coleman Lot #SF10, Pine Grove Cemetery.

7. The sum of One Hundred Dollars to be used for the perpetual care of the Hammond G. & Georgianna Creighton Lot #188A, Pine Grove Cemetery.

8. The sum of One Hundred Dollars to be used for the perpetual care of the Wilfred W. & Margaret Pekkala Lot #332B, Pine Grove Cemetery.

9. The sum of Two Hundred Dollars to be used for the perpetual care of the John J. & Dorothy Vossahlik Lot #331, Pine Grove Cemetery.

10. The sum of Two Hundred Dollars to be used for the perpetual care of the J. E. Wheeler Lot #200, Pine Grove Cemetery.

15. (By Ballot) "Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows:

**a. Amend Article VI, Residential/Agricultural District, Section B, Uses Permitted, #5 Home Businesses**, to require compliance with new Article XIX and the Non-Residential Site Plan Review Regulations?

**b. Amend Article VIII Definitions, #15 Home Business**, by modifying the definition of a Home Business?

**c. Add a new Article XIX Home Businesses**, to clarify when site plan approval for home businesses is necessary, to define the requirements which home businesses must meet to operate in a residential neighborhood, and renumbering all subsequent Articles?" **(Planning Board Approves)**

**NOTE:** Home businesses are currently a permitted use in the Residential/Agricultural district. The new article intends to preserve the character of residential neighborhoods and limit nuisances by requiring planning board approval only of home businesses which produce a noticeable impact on their neighborhood. The other amendments provide consistency with the new article.

16. (By Ballot) "Are you in favor of the adoption of Amendment No. 2 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows:

**Add a new Article XX, Driveway Ordinance**, to require a Town permit and compliance with certain design standards for any new driveway construction; alteration; or relocation, and renumber all subsequent Articles?" **(Planning Board Approves)**

**NOTE:** Driveways existing as of March 12, 1996 are exempt from this ordinance unless being relocated. The intent of the article is to ensure public safety and lower town road maintenance expenses by controlling erosion, drainage, and improper construction.

17. (By Ballot) "Are you in favor of the adoption of Amendment No. 3 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows:

**Amend Article III, General Provisions**, by adding a provision to prohibit the subsurface storage and pipeline transmission of petroleum or related products, except for propane/liquified natural gas and storage tanks regulated by the State of New Hampshire?" **(Planning Board Approves)**

**NOTE:** Propane and LNG pose no threat to environmental quality. The State of New Hampshire regulates petroleum storage tanks in excess of 1,100 gallons.

18. (By Ballot) "Are you in favor of the adoption of Amendment No. 4 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows:

**Amend Article IV, Industrial/Commercial District, Section C, Lot Requirements**, by adding a provision to limit the gross area of any lot in this district which may be occupied by structures and impervious surfaces to a maximum of 75 percent?" **(Planning Board Approves)**

**NOTE:** Commercial buildings, structures, and parking areas in existence as of March 12, 1996 may be maintained at, or rebuilt to, the existing level. This provision seeks to address drainage, runoff, and aesthetic concerns in new construction.

19. (By Ballot) "Are you in favor of the adoption of Amendment No. 5 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows: **Amend Article IX, Earth Removal**, to permit by special exception excavations performed exclusively for Town road projects by the Town of Brookline?" (**Planning Board Approves**)

**NOTE:** This amendment seeks to reduce the cost of town road projects by allowing excavations for that purpose which have been approved by the ZBA as having met certain operational standards.

20. (By Ballot) "Are you in favor of the adoption of Amendment No. 6 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows: **Amend Article X, Lot of Record**, by reorganizing and by adding a requirement for building sites to have frontage and direct access on a Class V or better road?" (**Planning Board Approves**)

**NOTE:** The reorganization serves to reduce confusion and improve readability. The new requirement is necessary for consistency with new state law.

21. (By Ballot) "Are you in favor of the adoption of Amendment No. 7 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows: **Amend Article XIV, Floodplain Ordinance**, by adding new definitions for FEMA; Historic structure; substantial damage; new construction; and violation, and by replacing section 9 (f) with a new variance and appeals procedure which complies with federal requirements?" (**Planning Board Approves**)

**NOTE:** Currently the Town of Brookline's floodplain ordinance does not meet the minimum requirements of the national flood insurance program. This amendment is required for continued participation in the NFIP.

22. (By Ballot) "Are you in favor of the adoption of Amendment No. 8 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows: **Amend Article XV, Aquifer Protection Ordinance, Section III, Permitted Uses**, by adding subsurface storage of propane/liquified natural gas as a permitted use?" (**Planning Board Approves**)

**NOTE:** Propane and LNG pose no threat to water quality.

23. (By Ballot) "Are you in favor of the adoption of Amendment No. 9 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows: **Amend Article XVIII, Sign Ordinance, Section C, Size, #2**, to permit one free standing sign per entrance for buildings with multiple unconnected driveway entrances to separate businesses?" (**Planning Board Approves**)

**NOTE:** Currently only one sign per building is permitted. This amendment makes the sign ordinance more flexible for multiple businesses with multiple entrances at the same location.

24. (By Ballot) "Are you in favor of the adoption of Amendment No. 10 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows: **Amend Article XIX, Amendments**, by adding a paragraph which allows the Planning Board to renumber provisions of the Zoning Ordinance so long as no substantive changes are made as a result?" (**Planning Board Approves**)

**NOTE:** This amendment alleviates the need to receive town meeting approval for minor clerical changes.

25. (By Ballot) “Are you in favor of the adoption of Amendment No. 11 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows: **Amend the Brookline Building Code** by requiring that all building permit applications be accompanied by an approved current septic plan or a site septic assessment form, either of which should clearly demonstrate that the site will support the proposed building alteration?” **(Planning Board Approves)**

**NOTE:** Currently the Building Inspector has no authority to determine whether a site can handle the increased septic demands caused by a proposed building alteration.

Given under our hands and seal this twentieth (20th) day of February, in the year of our Lord nineteen hundred and ninety six.

\_\_\_\_\_  
Judy Cook

\_\_\_\_\_  
Bennett Chandler

Selectmen of Brookline

It is our practice to recess at 11:00 pm, however, we will continue if it appears that the meeting will not extend beyond 12:00.

If the meeting recesses at 11:00 pm, the meeting will reconvene Thursday, March 14, 1996 at 7:30 pm.

# **PROPOSED ZONING CHANGES FOR MARCH 1996 TOWN MEETING**

**There are eleven proposed zoning changes for Town Meeting 1996.**

- 1) Add a new article to define Home Businesses and amend Article V and Article VIII to include definition of and permitted uses of new home businesses.
- 2) Add a new article to establish a Driveway Ordinance
- 3) Amend Article III, General Provisions to prohibit burial of underground oil tanks.
- 4) Amend Article IV, Lot Requirements to establish the maximum site coverage of the lot.
- 5) Amend Article IX, Earth Removal to allow excavations for Town Road projects by special exception from the ZBA.
- 6) Reorganize Article X, Lot of record and add new frontage requirement.
- 7) Amend Article XIV, Floodplain Ordinance to add new definitions and variance/appeals language as required by the Federal Emergency Management Agency (FEMA).
- 8) Amend Article XV, Aquifer Protection Ordinance to allow for subsurface storage of propane/LNG.
- 9) Amend Article XVIII, Sign Ordinance
- 10) Amend Article XIX, Amendments to allow for renumbering of zoning ordinance or building code if there is no substantive change.
- 11) Amend Building Code to add the requirement to present either the approved septic plan or a septic site assessment form when building permits for additions or alterations are applied for.

**Add the Following Articles, Renumbering all subsequent Articles:**

## **I. ARTICLE XIX, HOME BUSINESSES**

### **A. PURPOSE AND INTENT**

The Town of Brookline receives a relatively large number of applications for home-based businesses, owing to the rural character of the town and to the rising popularity of home employment due to technological advances. While the town may legally prohibit all commercial activities in the residential/ agricultural district, it recognizes that many Home Businesses may be beneficial to the community as a whole and can be carried on with minimal or no impact on the neighborhood in which they are situated. Therefore, by placing reasonable restrictions on these activities and allowing only Home Businesses which meet those standards, the town intends to preserve the character of residential neighborhoods and to guarantee all residents freedom from nuisance and potential negative impacts resulting from commercial activity in residential areas. No authorized Home Business shall be permitted to operate in a manner that exceeds the requirements set forth in this ordinance.

### **B. GENERAL REQUIREMENTS**

A Home Business which is evident to the general public shall be required to apply for and obtain an approval pursuant to the Non-Residential Site Plan Review regulations adopted by the planning board that govern such uses. Evidence of the Home Business

includes but is not limited to the following: increased traffic, external signs, external display of goods, vehicle or equipment parking and storage, septic expansion, and request for a building permit.

1. The Home Business shall be incidental and secondary to the principal use of the dwelling as a residence.
2. No additions or changes shall be made to the residence that will make it impractical to revert the building to purely residential use.
3. Objectionable circumstances such as noise, vibration, dust, smoke, excessive traffic, electrical disturbances, odors, heat, glare, visual disharmony or other offensive emissions shall not be produced in excess of that normally associated with residential use. Determination of an objectionable circumstance shall be made by the Board of Adjustment either upon complaint or upon request for investigation by the Building Inspector.
4. Home Businesses shall be conducted by the resident, resident members of the owner's family, a resident tenant, or resident members of the tenant's family. Four employees, in addition to home inhabitants, are permitted on the premises.
5. All signs must comply with the requirements of Article XVIII, Sign Ordinance.
6. Traffic generated by the Home Business shall not create safety hazards or be substantially greater in volume than would normally be expected with residential use.
7. Sufficient off-street parking shall be provided for any non-resident employees, customers and suppliers who may be normally expected to need parking spaces at one time. Driveways may be used for client parking.
8. The Home Business shall be operated within the principal or accessory building.
9. Home Businesses shall be conducted in accordance with all Town regulations, state laws and licensing requirements.

## **C. PROCEDURE**

1. Requests for Home Businesses shall be presented to the Planning Board in accordance with Sections 3.2, Submission Procedures, and 5.2, Submission Requirements for Home Businesses, of the Non-Residential Site Plan Review regulations.

## **II. ARTICLE XX, DRIVEWAY ORDINANCE**

### **A. AUTHORITY**

1. Pursuant to the provisions of RSA 236:13, the following driveway ordinance is hereby established for the Town of Brookline, N.H.

## **B. PURPOSE**

1. In as much as driveways and entrances are, in effect, intersections, they require certain controls as to size and location in order to provide safe and efficient access to property fronting on the road.
2. To provide for the proper and suitable discharge and control of surface drainage in and around the driveway.
3. To ensure the public safety through the orderly control of traffic movement onto and from highways, streets, and roadways.
4. To provide a uniform practice and procedure relative to the design and construction of driveway entrances and exits.
5. To prevent the existence of unsafe conditions resulting from improper placements of any driveway.
6. To prevent erosion or other damage to existing Town roads from the construction of driveways.

## **C. DEFINITIONS**

1. Driveway—Any improved or unimproved area serving as an area of access, entrance, exit, or approach from any or to any parcel of land, regardless of public or private ownership.
2. Driveway Inspector—A local official designated by the Selectmen with the responsibility of certifying that the specifications set forth in this ordinance are met.

## **D. PERMIT AND PENALTY**

1. Anyone desiring to construct, alter or relocate a driveway in order to obtain access to an existing or proposed street or roadway, shall first apply for and obtain a permit from the Building Inspector's office.
2. This permit shall provide for the construction, alteration or relocation of such driveway in accordance with the following specifications:
  - a) No use of such driveway (except of a temporary nature during construction) shall take place until the Driveway Inspector inspects the construction of the driveway and certifies that the driveway conforms to the specifications set forth in this ordinance.

## **E. REQUIREMENTS**

1. Design Features
  - a) Maximum width at property line-Twenty-five (25) feet.
  - b) Minimum distance from intersection-One hundred (100) feet.
  - c) Minimum sight distance-Two hundred (200) feet.
  - d) No driveway shall intersect the street at less than a sixty (60) degree angle.

2. Driveways shall be so located as to most adequately protect the safety of the travelling public.

3. On any paved road, the driveway shall be paved 15 feet from the edge of existing pavement or to the property line, whichever is least, unless other specifications are made by the Driveway Inspector as per this Article.

From April 1 to September 30, the driveway apron needs to be paved before the Certificate of Occupancy can be issued. From October 1 to March 31, the driveway shall be paved between April 1 and July 1 of the following spring. A temporary certificate of occupancy can be issued by the Building Inspector. Arrangements must be made with the Driveway Inspector to schedule.

4. Upon any application for a driveway permit, the applicant shall confer with the Driveway Inspector who shall determine specifications as to sloping, culverts, and other aspects of construction of said driveway in order to properly provide for adequate drainage, snow removal, safety, etc. to prevent undue interference with the proper use of existing access roads. It shall be a requirement of construction that such specifications of the Driveway Inspector be complied with prior to use of such driveway.

#### **F. EASEMENT AND BOND**

1. The applicant may, at the discretion of the Driveway Inspector, as a condition of the granting of the permit, be required to provide to the Town of Brookline, an easement to the extent deemed necessary for the purposes of entering upon the premises of the applicant to control or maintain surface drainage.

Where appropriate and necessary, in the discretion of the Driveway Inspector the applicant may be required to provide a bond or sureties in such sum as is deemed necessary for the proper construction of such culvert, piping, ditching or other efforts incidental to and necessary for the proper discharge and control of surface and sub-surface drainage in and around the vicinity of the proposed driveway, both on the property of the applicant or on the property of the Town.

2. All funds provided to the Town in satisfaction of this obligation shall be deposited in an escrow savings account maintained by the Town for said purpose, and portions of said funds may be withdrawn by the Selectmen from time to time to apply against the cost of any portion of said construction which the Town is obliged to undertake to complete. Provided, however, that no funds shall be expended by the Town at any site in excess of the amount on deposit pertaining to such site.

#### **G. FEES**

1. No permit shall be issued until payment of a fee, which shall be established by the Selectmen, is paid to the Town of Brookline.

#### **H. OTHER PROVISIONS**

1. Driveways existing as of March 12, 1996 are exempt from this ordinance unless the driveway is being relocated.

## **AMEND THE FOLLOWING ARTICLES:**

### **1. ARTICLE III, GENERAL PROVISIONS.**

Add the following: "E. No subsurface storage of petroleum or related products (including gasoline) and the subsurface transmission of petroleum or related products through pipelines shall be allowed within Town, with the following exceptions:

1) Propane or liquified natural gas

2) Storage tanks in excess of 1,100 gallons. Storage tanks in excess of 1,100 gallons must comply with the New Hampshire Water Supply and Pollution Control Division's Code of Administrative Rules Part Ws 411, Control of Nonresidential Underground Storage and Handling of Oil and Petroleum Liquids."

### **2. ARTICLE IV, INDUSTRIAL-COMMERCIAL DISTRICT. Section C, Lot Requirements.**

Add the following: "4. Site Coverage: No more than seventy-five percent (75%) of the gross area of any lot may be occupied by structures and impervious surfaces. Commercial buildings, structures and parking areas in existence as of March 12, 1996 that exceed the permitted lot coverage within the district may be maintained at, or rebuilt to, the existing level. Any increase in impervious area will not be permitted."

### **3. ARTICLE V, RESIDENTIAL-AGRICULTURAL DISTRICT. Section B, Uses Permitted.**

Add the following: "5. Home Businesses in compliance with the requirements of Article XIX of these regulations and subject to Planning Board review under the Non-Residential Site Plan Review regulations, particularly Section 5.2, Submission Requirements for Home Businesses.

### **4. ARTICLE VIII, DEFINITIONS**

Replace the existing definition with the following: "15. Home Business-A business operated within a residence and/or accessory structure that is incidental and subordinate to the use of the dwelling for residential purposes, does not change the residential character of the dwelling, and is in compliance with the criteria established for Home Businesses in Article XIX.

### **5. ARTICLE IX, EARTH REMOVAL**

Add underlined sentence to first paragraph: "Excavation shall be deemed to be a use allowed by special exception in the Industrial-Commercial District as provided in RSA 674:33 IV. Excavations performed exclusively for the lawful construction, reconstruction, or maintenance of a class IV or V highway by the Town of Brookline shall be permitted within Town by special exception as provided in RSA 674:33 IV. The Zoning Board of Adjustment shall grant such a special exception upon finding that the applicant has demonstrated that....."

## 6. ARTICLE X, LOT OF RECORD

Reorganize as shown and add underlines provisions:

### A. OWNERSHIP CLASSIFICATIONS

1. Where a lot in separate ownership, the deed to which is duly recorded on or before 12 March 1968 and which is recorded and taxed according to the 1972 tax records of the Town of Brookline, N.H., does not conform to the area and frontage requirements of the zone in which it is located, such lot may be used for any purpose permitted in that zone on said date provided that such use conforms with the requirements of the Water Supply and Pollution Control Commission (WSPCC).
2. Any lot in separate ownership the deed to which is duly recorded between 13 March 1968 and 29 October 1971 and which is recorded and taxed according to the 1972 tax records of the Town of Brookline, N.H., may be used for any purpose permitted between said dates in the zone in which it is located provided that it contains an area of 40,000 square feet, has a frontage of not less than 150 feet and complies with the requirements of the WSPCC.

### B. REQUIREMENTS

1. Any person having a lot size of 40,000 square feet for a single family dwelling or 80,000 square feet for a two-family dwelling, 150 feet of frontage, and who can meet the set back and side line requirements as set forth in the Zoning and Land Use Ordinance shall not require a variance in order to obtain a building permit.

2. Any person having a lot size of less than 40,000 square feet for a single family dwelling or 80,000 square feet for a two-family dwelling, and/or less than 150 feet of frontage or who cannot meet the Zoning Ordinance requirements shall require a variance prior to the issuance of a building permit if the changes will either:

a) Increase the exterior dimensions of the structure so that it is not in compliance with the Building Code and Zoning Ordinance; or

b) Increase the sewage flow as determined by New Hampshire Water Supply and Pollution Control Commission and the Brookline Health Codes.

3. An application requesting a permit to occupy a lot not conforming in size and/or frontage as otherwise required under this ordinance shall be accompanied by the original or a certified copy of the recorded deed in question.

**4. A lot shall not be used as a building site unless it has frontage in the amount specified in the ordinance on a Class V or better road and access is obtained directly from a Class V or better road.**

## **7. ARTICLE XIV, FLOODPLAIN ORDINANCE**

### **A. Add the following definitions to Section 1, DEFINITION OF TERMS:**

- 1. FEMA**- means the Federal Emergency Management Agency
- 2. Historic Structure**- means any structure that is:
  - a)** Listed individually in the National Register of Historic Places (a listing maintained by the Department of Interior) or preliminarily determined by the Secretary of the Interior as meeting the requirements for individual listing on the National Register;
  - b)** Certified or preliminarily determined by the Secretary of the Interior as contributing to the historical significance of a registered historic district or a district preliminarily determined by the Secretary to qualify as a registered historic district;
  - c)** Individually listed on a state inventory of historic places in states with historic preservation programs which have been approved by the Secretary of the Interior or;
  - d)** Individually listed on a local inventory of historic places in communities with historic preservation programs that have been certified either:
    - (1)** By an approved state program as determined by the Secretary of the Interior, or
    - (2)** Directly by the Secretary of the Interior in states without approved programs.
- 3. Substantial Damage**- means damage of any origin sustained by a structure whereby the cost of restoring the structure to its before damaged condition would equal or exceed 50 percent of the market value of the structure before the damage occurred.
- 4. New Construction**- means, for the purpose of determining insurance rates, structures for which the "start of construction" commenced on or after the effective date of an initial FIRM or after December 31, 1974, whichever is later, and includes any subsequent improvements to such structures. For floodplain management purposes, "new construction" means structures for which the "start of construction" commenced on or after the effective date of a floodplain management regulation adopted by a community and includes any subsequent improvements to such structures.
- 5. Violation**- means the failure of a structure or other development to be fully compliant with the community's flood plain management regulations. A structure or other development without the elevation certificate, other certifications, or other evidence of compliance required in Section 60.3(b)(5), (c)(4), (c)(10), (d)(3), (e)(2), (e)(4), or (e)(5) is presumed to be in violation until such time as that documentation is provided.

**B. Delete section 9(f) and replace with new section 10 as follows:**

**“Variance and Appeals Procedure**

a) Any order, requirement, decision or determination of the building inspector made under this ordinance may be appealed to the Zoning Board of Adjustment as set forth in RSA 676:5.

b) If the applicant, upon appeal, requests a variance as authorized by RSA 674:33 I(b), the applicant shall have the burden of showing in addition to the usual variance standards under state law:

(1) that the variance will not result in increased flood heights, additional threats to public safety, or extraordinary public expense.

(2) that if the requested variance is for activity within a designated regulatory floodway, no increase in flood levels during the base flood discharge will result.

(3) that the variance is the minimum necessary, considering the flood hazard, to afford relief.

c) The Zoning Board of Adjustment shall notify the applicant in writing that: (i) the issuance of a variance to construct below the base flood level will result in increased premium rates for flood insurance up to amounts as high as \$25.00 for \$100.00 of insurance coverage and (ii) such construction below the base flood level increases risks to life and property. Such notification shall be maintained with a record of all variance actions.

d) The community shall (i) maintain a record of all variance actions, including their justification for their issuance, and (ii) report such variances issued in its annual or biennial report submitted to FEMA's Federal Insurance Administrator.”

**8. ARTICLE XV, AQUIFER PROTECTION ORDINANCE. Section III, Permitted Uses.**

Add the following: “d) Subsurface storage of propane/liquified natural gas.”

**9. ARTICLE XVIII, SIGN ORDINANCE. Section C., Size.**

Add underlined sentence to number 2: “2. Commercial and industrial buildings are allowed one free standing sign per building. Buildings with multiple unconnected driveway entrances to separate businesses are allowed one free standing sign per entrance. Individual occupants are also allowed a wall sign.”

10. **ARTICLE XIX, AMENDMENTS.**

Add new paragraph: "The Planning Board has the authority to assign such section number to the Zoning Ordinance and Building Code as it may deem appropriate provided that no substantive change to the ordinance shall occur as a result of this renumbering."

11. **BROOKLINE BUILDING CODE.**

Add underlined sentence to number 2: "2. The Building Inspector ..... shall issue any and all building permits requested within fifteen days after receiving written application for such permit. The application shall be accompanied by a plan of the proposed building or alteration and such plans must be in accordance with the provisions of this ordinance and the Zoning and land Use Ordinance of the Town. An approved current septic plan for the site or a site septic assessment form provided by the Building Inspector, either of which should clearly demonstrate that the site will support the proposed building alteration, shall be submitted. Such permits shall expire....."

BUDGET OF THE TOWN OF BROOKLINE NH  
APPROPRIATIONS AND ESTIMATES OF REVENUES FOR ENSUING YEAR

January 1, 1996 - December 31, 1996

## BOARD OF SELECTMEN

We are continuing the renovations begun in 1992 to the Daniels Academy Building and the Library. This year we moved indoors and refinished woodwork and floors in the Daniels Academy Building. And, to reduce operating costs we replaced the auditorium's electric heat with a new zone off the oil-fired boiler.

We would like to thank the Kilduff-Wirtanen Post 74 of the American Legion for the brick walkways that they installed to reach the war memorials on the Daniels Academy Building lawn.

We continued the computer infrastructure renewal program for the Town Offices. This year we installed three more Windows-capable computer systems. We are also trying to upgrade the software that we use. The Town Clerk is now using a Windows-based auto registration system.

Charter Communications cable channel 16 continues to be Brookline's own local access channel. This is an all volunteer effort. Thanks to the efforts of Judy Cook and Sandra Fessenden we continuously run bulletins advertising public meetings, events, and special happenings. Pat Smith has run the video cameras to bring us live coverage of town meetings, including the Town Meeting and Brookline School District Meeting - thank you Pat. More volunteers are needed to keep this going. Please let us know if you want to help.

Brookline can be found on the internet (<http://www.sai.com/brooklin>). Susan and Darryl Waggoner are graciously hosting the Brookline World-Wide Web home page. Judy Cook has worked with the Waggoners to build the Brookline page. Gary Arruda provided photographs of Town buildings.

Brookline is a participant in a New Hampshire Department of Transportation low salt pilot program. A stretch of Route 130 was marked as a test section for the 1994-1995 and 1995-1996 winters. Interim reports from the 1994-1995 winter "...did not show substantial differences between test and control sections."

Brookline continues to grow. This continues to stress all aspects of our infrastructure. You can see some of the effects in a quick perusal of the reports of the Building Inspector, Ambulance Service, Fire Engineers, Road Agent, Police Department, and school districts. Although we will soon exceed 3000 population, Brookline is still a "small town". We all need to work together to accommodate and manage the growth. We depend heavily on volunteers for Town boards and committees. We challenge each of you to step forward. Volunteer! Join a Town board. Come to the annual Town and School District meetings. Participate in Brookline's future!

Respectfully submitted,

Russell Heinselman  
Judy Cook  
Bennett Chandler

Selectmen of Brookline

Total Votes	375

**Article I.** Results of balloting as follows, with various write-ins omitted.

For Town Clerk/Tax Collector	Nancy B Howard	340
For Selectman- 3 years	Russell Heinselman	317
For Assessor- 3 years	Peter Cook	15
For Town Treasurer	Sandra L Fessenden	328
For Overseer of Public Welfare	Marcia T Farwell	271
For Fire Engineer- 3 years	Curt Jensen	304
For Recreation Commission- 3 years	Sheryl Corey	305
(vote for 2) (write-in)	Trish Jensen	44
For Recreation Commission- 2 years	Michelle Hakala	47
(vote for 1) (write-in)		
For Finance Committee	Wilson K Chapman	267
(vote for 3)	Robert J Petersen	260
(write-in)	Michael Lynch	10
For Town Auditors	Dawn Bushey	286
(vote for 2)	Elizabeth M Cross	278
For Town Trustee- 3 years	Allan O Fessenden	304
For Road Agent	Clarence L Farwell	264
For Library Trustee- 3 years	Eleanor Monius	316

The following were elected from the floor:

Surveyor of Wood & Lumber	Clarence L Farwell
Memorial Day Committee	Douglas Kean
	Michael Chase
Melendy Pond Authority	Peter Cook
Sexton	Clarence L Farwell

The above were declared elected by Moderator Arnold. All present of those elected from the floor were sworn in by Moderator Arnold.

**ARTICLE II.** Motion Russell Heinselman, 2nd Rena Duncklee, to raise the sum of **\$1,101,650** to defray town charges for the ensuing year and make appropriations of the same. **VOICE VOTE AYE.**

**ARTICLE III.** On motion by Marcia Farwell, 2nd Charles Corey, we voted to accept as printed the reports of agents, auditors, committees, and all other officers heretofore chosen. **VOICE VOTE AYE.**

**ARTICLE IV.** On motion by Russell Heinselman, 2nd Marcia Farwell, we voted to adopt a continuing resolution to authorize the Board of Selectmen to accept gifts of personal property which may be offered to the Town for any public purpose, pursuant to RSA 31:95e. The selectmen must hold a public hearing before accepting such gift, and the acceptance shall not bind the town to raise, appropriate or expend any public funds for the operation, maintenance, repair or replacement of any such personal property. **VOICE VOTE AYE.**

On motion by Judy Cook, 2nd Russell Heinselman, we voted to take Article VII out of order. **VOICE VOTE AYE.**

**ARTICLE VII.** On motion by Russell Heinselman, 2nd Bennett Chandler, we voted to pass over the article. **HAND VOTE AYE: YES 99, NO 10.**

**ARTICLE V.** On motion by Calvin Page, 2nd Russell Heinselman, we voted to raise and appropriate the sum of **\$82,000** to purchase and equip a new ambulance and to authorize the selectmen and ambulance director to enter into a contract to purchase the said ambulance from bids received, and to authorize the withdrawal of \$50,000 plus interest accrued to the date of withdrawal from the Ambulance Capital Reserve Fund created for that purpose, with the balance of up to \$32,000 to be raised by general taxation. **HAND VOTE AYE: YES 93, NO 10.**

**ARTICLE VI.** On motion by Calvin Page, 2nd Russell Heinselman, we voted to raise and appropriate the sum of **\$26,000** for the renovation of the ambulance bay to accommodate the new ambulance. **HAND VOTE AYE.**

**ARTICLE VIII.** Motion Charles Corey, 2nd Scott Knowles, to see if the Town will vote to authorize the selectmen and fire engineers to enter into a lease/purchase agreement for a new Engine 2 Pumper for the Brookline Fire Department, and to raise and appropriate the amount of **\$111,000** for the first year's payment. Subsequent payments will be \$33,022 in 1996, \$33,022 in 1997 and \$33,022 in 1998.

AMD Susan Haight to delete the word "raise", as the money will come from Capital Reserve already in existence to cover the first year's payment. Mr. Corey and Mr. Knowles agreed to the amendment. **AMD MOTION HAND VOTE AYE.**

**ARTICLE IX.** On motion by Charles Corey, 2nd Ray Kegy, we voted to discontinue the Capital Reserve Fund authorized for the purpose of financing the acquisition and equipping of a fire truck which was established in 1990. These funds, together with accumulated interest to date of withdrawal (estimated to be \$111,000) are to be transferred to the Town's general fund.

**ARTICLE X.** On motion by Charles Corey, 2nd Clarence Farwell, we voted to pass over the article. **HAND VOTE AYE.**

**ARTICLE XI.** On motion by Clarence Farwell, 2nd David Joki, we voted to raise and appropriate the sum of **\$25,000** for road/bridge improvements. Specifically the funds will finish the Mason Road project and work on Bohanon Bridge. **HAND VOTE 105 YES, 56 NO.**

**ARTICLE XII.** Motion Charles Corey, 2nd Clarence Farwell, to raise and appropriate the sum of \$5000 to be used for surveying, land search and site preparation for a new ball field when an appropriate piece of land is found. Selectman Heinselman stated that there is in place an agreement among the School Board, Selectmen and Recreation Commission to use land located at the Brookline Elementary School for a playing field for youth sports. **AMD** Robert Petersen, 2nd Betty Hall, to increase the sum to \$8000 to cover the cost of preparation of the playing field located at the Brookline Elementary School. **AMD VV AYE. AMD MOTION HAND VOTE AYE.**

**ARTICLE XIII.** Motion Russell Heinselman, 2nd Rena Duncklee, to rescind the action taken on Article II of the 1989 Town Meeting which authorized the provision of RSA 79-A:25 to place 20% of current use revenues into the Land Acquisition/Conservation Fund. **HAND VOTE NAY.**

**ARTICLE XIV.** Motion Russell Heinselman, 2nd Betty Hall, to raise and appropriate the sum of \$20,000 with the intention of raising \$20,000 in each of the next two years (total of \$60,000) to purchase lot G-20 at the intersection of Mason Road and State Highway 13, and to authorize the selectmen to enter into a purchase and sales agreement for said land. **AMD** Russell Heinselman, 2nd Marcia Farwell, to raise and appropriate the sum of **20,000**, and to make use of any other funds available from the Conservation Commission or any other sources. The sense of the meeting anticipates the cooperation of the Conservation Commission. Motion Mark Fessenden, 2nd Ivon Boyer to end debate. **AMD MOTION HAND VOTE AYE.**

**ARTICLE XV.** Motion Charles Corey, 2nd Louise Price to raise and appropriate the sum of \$2500 for utilities and maintenance of the concession stand at the ball park. **HAND VOTE NAY.**

**ARTICLE XVI.** On motion by Russell Heinselman, 2nd Betty Hall, we voted to accept lots J-39 (79.959 acres), J-39-45 (19.091 acres) and J-39-47 (1.223 acres) as open space land per the subdivision plan of James B Monahan (Laurelcrest Drive) approved by the planning board on September 27, 1994. **HAND VOTE AYE WITHOUT DISSENT.**

**ARTICLE XVII.** Motion Mark Fessenden, 2nd Scott Knowles, to pass over the article. Yes 66, No 37. Motion failed the necessary 2/3 vote.

Motion Russell Heinselman, 2nd Marcia Farwell to, pursuant to RSA 154:1(I), to choose a form of fire department organization, effective April 1, 1995, that results in a fire chief appointed by the local governing body (the selectmen), with firefighters appointed by the local governing body, upon recommendation of the fire chief, as authorized by RSA 154:1(I)(b). **HAND VOTE NAY.**

**ARTICLE XVIII.** On motion by Mark Fessenden, 2nd Sheryl Corey, we voted to pass over the article. **VV AYE WITHOUT DISSENT.**

**ARTICLE XIX.** On motion by Marcia Farwell, 2nd Rena Duncklee, we voted to accept the following legacies:

1. The sum of two hundred dollars to be used for the perpetual care of the William H Jr & Diane C Quigley Lot #321, Pine Grove Cemetery.
2. The sum of two hundred dollars to be used for the perpetual care of the Ellsworth A Sr & Elizabeth C Austin Lot #49, Lakeside Cemetery.
3. The sum of one hundred dollars to be used for the perpetual care of the Susan V Langelier Lot #295-A, Pine Grove Cemetery.
4. The sum of one hundred dollars to be used for the perpetual care of the Luman/Tower Lot #45, Lakeside Cemetery.
5. The sum of one hundred dollars to be used for the perpetual care of the Rippon Lot #SF-6, Pine Grove Cemetery.
6. The sum of one hundred dollars to be used for the perpetual care of the Stephen Homoleski Lot #SF-9, Pine Grove Cemetery.

**VVAYE WITHOUT DISSENT.**

**ARTICLE XX. (BY BALLOT)** Are you in favor of the adoption of Amendment No. 1 as proposed by the Planning Board for the Town of Brookline zoning ordinance as follows: add a new Article XIX (Driveway Ordinance) and renumber all subsequent Articles to require anyone desiring to alter, relocate or construct a driveway to obtain a permit from the Town of Brookline in accordance with certain design specifications?  
**ARTICLE FAILED, BALLOT VOTE YES 167, NO 201.**

Other business to come before the meeting:

We thank Robert deGuzman for his 12 years of service as a member of the Board of Assessors.

We thank Michael Lynch for his 6 years of service as a member of the Finance Committee.

On motion by Constance Knights, 2nd Russell Heinselman, we voted to have the Selectmen undertake a study to determine whether or not the Town should adopt adjusted elderly exemptions pursuant to RSA 72:43-h; to determine what the amounts of such exemptions and the income restrictions should be; and to propose a warrant article to be acted upon by the Town at the 1996 Town Meeting. **HAND VOTE AYE.**

Jack Flanagan gave an explanation of the importance of the upcoming CO/OP School Meeting on March 20, 1995.

On motion by Betty Hall, 2nd Harry Cross, we voted to adjourn the meeting at 11:10 PM. **VVAYE.**

**TOTAL MONIES RAISED: \$1,373,650.**

A True Copy Attest:

Nancy B Howard  
Town Clerk

TOTAL CALLS: 176

PATIENTS TRANSPORTED: 131

PATIENTS NOT TRANSPORTS: 86

Call volume increased by 7.3% during calendar year 1995. The full-time dayshift attendants handled 38.3% of the total calls. The volunteer attendants handled 30.3% of the total calls on weeknights and 31.4% of the total calls on weekends.

At the end of 1995, the Service had 21 attendants:

2 - Paid Daytime EMT-Intermediates

1 - Volunteer Paramedic

8 - Volunteer EMT-Basics

4 - Volunteer Apprentices

1 - Volunteer EMT-Intermediate

3 - Volunteer First Responders

2 - Volunteer Training Members

All attendants providing patient care hold current New Hampshire Emergency Provider Licenses which replace the former Ambulance Attendant Licenses. Every volunteer serves the Town without any compensation.

During the year, an Apprentice Program was developed for teenagers with an interest in the emergency medical care system. The 14 to 18 year old members must be CPR certified and are under the guidance of an EMT as an assigned mentor. The Apprentices are not allowed to perform direct patient care and are encouraged to take additional emergency medical training programs in preparation to becoming an EMT at age 18.

The Defibrillator purchased in 1992 continues to serve as an important patient care tool. It was used on 1 call to defibrillate and on 30 calls as a cardiac monitor. Every licensed EMT and First Responder with the Service is certified in its usage with refresher training done every 6 months and recertification required every 2 years.

Bay renovations to accommodate the new ambulance while retaining the present ambulance as a backup unit have been completed. The Association members have been working during the summer to refurbish the interior walls of both bays. The new bathroom was completed and is fully functional.

The new ambulance approved by the 1995 Town Meeting is due for delivery in mid January and should be in service by February 15th. The Service will then be outfitting the patient care module with equipment purchased through the many donations from patients and their friends and local businesses.

The Service participated in the Second Annual Twilight 5-Miler Roadrace in August for which we received a generous donation to purchase additional equipment. We also provided emergency medical coverage for the annual Foot Stompin Picnic which provided a sizeable donation toward additional equipment.

The second year of service to Mason, NH provided 32 calls. The Mason First Responders now have 8 volunteer EMT's and 2 licensed First Responders who immediately respond to a scene to provide emergency care until the ambulance arrives. Through Mason donations, they have purchased additional emergency equipment for their members and expendable supplies used on their scenes. Their intention is to purchase their own Defibrillator in 1996 to provide an immediate lifesaving response to their citizens while awaiting the arrival of the ambulance.

Without the commitment and enthusiasm of all the volunteer attendants on the Service, we could not possibly fulfill our mission of providing high quality pre-hospital patient care for the Town. The ever-increasing number of hours of training necessary to maintain the skill levels requires sacrifice from every attendant. Thank you to each attendant for all your efforts throughout this past year.

The Selectmen, Fire Department, Police Department and Road Agent have been cooperative through the year in our mutual efforts to protect the townspeople. Most especially, the taxpayers have had the foresight to approve funding for the Service that will enable us to provide this important service during 1996 without any cost to the patients.

The Ambulance Service NEEDS VOLUNTEER MEMBERS. To learn more about this unique public service role in providing emergency medical care to your fellow townspeople, please contact the Ambulance Director anytime at (603) 672-6216 or stop at the Bay for a tour and more information.

Respectfully submitted,

Wesley N. Whittier,  
Ambulance Director

## **1995 ANNUAL REPORT**

As the population of Brookline continued to grow, so did the activity at the Brookline Library in 1995. It was a year filled with programs and events designed to inform, stimulate and entertain both our young and adult patrons. Among them were: craft classes in basket weaving, quilting, painting and stenciling; children's story hours; a sing-a-long for preschoolers; a summer reading program and party featuring a Lakota Sioux traditional dancer; a book sale and raffle; and a holiday program which included stories, songs, model trains and a visit from Santa.

To all the people who made these programs so enjoyable and so much fun, we'd like to express our sincere thanks. Thank you also to our talented and energetic staff, our volunteers who are generous with their time and services, the Friends of the Library for their much appreciated efforts, and everyone who donated money, books or other materials to the library.

It is through your efforts that the Brookline Library continues to be such an important asset to our town.

Thank you all for a great year!

Respectfully Submitted,

Ellen deGuzman

# REPORT OF THE POLICE DEPARTMENT

1995

As always 1995 was a busy traffic year. With upwards of 15,000 vehicles passing through town on a daily basis problems are bound to arise. It has always been the policy of this department to conduct aggressive traffic patrol measures. ALL local and national studies conducted in this area showed a direct correlation between traffic enforcement and local crime rates. Our own statistics seem to bear this out. In a year when several of our surrounding towns experienced a large amount of burglaries, Brookline had 4. Although we strive to see this figure at 0, 4 is the same as last year and is a beginning.

Sergeant Brian McCarthy attended the D.A.R.E. instructor's school and, after an intense two week session, was certified as an instructor. He will begin teaching all sixth grade students beginning in January. Also being offered to the school in 1996 will be the Eddie Eagle Gun Safety program. This will be given to all students and will be conducted by myself and other officers.

As always, I look forward to hearing from you. What are we doing right or wrong? What could we do that would benefit the community and the people we serve? Are there services we could offer that we haven't thought of? I look forward to your thoughts and ideas, and welcome suggestions of how we can better serve our town.

Respectfully submitted,

Louis P. Nadreau  
Chief of Police

# NASHUA REGIONAL PLANNING COMMISSION

## 1995 ANNUAL REPORT

This past year brought a new NRPC circuit rider to Brookline, and he quickly became involved in the work of the planning board: conducting research and drafting amendments to the zoning ordinance for home occupations, driveways, and excavations; researching and drafting amendments to the subdivision and site plan regulations including road reconstruction, fire protection, landscaping, sidewalks, parking as well as more concise approval procedures. Just underway are two significant efforts: an update of the Brookline Master Plan and a comprehensive recodification of the Brookline Zoning Ordinance. The transportation staff also began work on a study of future roadway capacity to address east/west traffic; and they conducted a pavement management analysis that included an inventory of existing conditions and a recommended repair strategy with cost estimates. Our geographic information system (GIS) produced an updated Brookline base map to be used by the postal service and provided the planning board with a graphic assessment of potential excavation sites in town.

The following is a brief summary of our other notable accomplishments of 1995:

**Souhegan Watershed Management Study** - Our staff prepared, and presented to planning boards and conservation commissions throughout the valley, a comprehensive look at the land use patterns and natural resources of the entire Souhegan River watershed. A detailed series of map overlays including active agricultural uses, potential threats to groundwater, septic capability and flood control sites was produced by our GIS program. This project transcended the boundaries of our region into both southwestern New Hampshire and Massachusetts towns. This was a fairly successful effort to demonstrate to local officials that land use decisions made in one community can have an effect in a neighboring, or even a distant, community.

**Planning Board Training** - In addition to another evening workshop aimed at the needs of our local planning board members but open to all interested parties in the region – in 1995 we held a very well attended session on reading and interpreting a site plan – we also produced our fourth planning board training video on local sign management and made copies available for circulation to all of our communities.

**Regional Bicycle and Pedestrian Plan** - As a key element of our long range transportation planning effort, we completed and published a regional plan for bicycle and pedestrian improvements. The document's purpose is to encourage non motorized travel not just for recreational purposes but also for commuting to work and for personal errands. The plan also recommends strategies for local compliance with the Americans with Disabilities Act.

**Data Services** - With the arrival of additional US Census information, and in our role as a regional Data Center for the Bureau of the Census, we responded to a broad spectrum of information requests. In addition, we distributed copies of our revised Regional Data Profile as well as numerous data briefs.

**Regional Economic Development** - NRPC continued to provide staff support to the Greater Nashua Center for Economic Development. Among its accomplishments in 1995 was the establishment of a revolving loan fund to assist local small businesses in obtaining much needed start up and expansion financing and the operation of a fully supported incubator facility in Nashua's Indian Head Plaza for growing new businesses.

**Household Hazardous Waste Collection** - In conjunction with the Solid Waste Management District, our staff conducted another successful collection event open to all communities in the district. Of particular note, we completed work with the NH Department of Environmental Services and the City of Nashua on the establishment of the state's first permanent facility for the regular collection of household hazardous wastes to serve all of our communities expected to be fully operational in 1996.

**Regional Transportation Planning** - In consultation with our communities and with input from the public, we prepared a Regional Transportation Plan and Improvement Program for the state's next biennial cycle. Staff also continued to work with local, state and federal officials to spur the implementation of this region's most significant highway projects including the Everett Turnpike widening, the Circumferential Highway and short term signalization improvements to Route 101A. NRPC also contributed to the development of a number of alternative transportation projects for pedestrians, bicyclists and transit riders through the Congestion Mitigation/Air Quality and Transportation Enhancements programs.

**Traffic Count Program** - With automatic counters at over 100 locations, we maintained a regional traffic count system to provide the most accurate and current data to meet the needs of both public agencies and private businesses. Peak hour turning movement counts were also conducted at over 40 locations, trend analyses were done for all locations where multiyear counts were available and a summary report was produced.

**Commuting Alternatives** - With the cooperation of the region's major employers, we administered a survey of both management and employees to inventory existing commuter assistance programs and to determine interest in establishing new ones. The next step will be the creation of transportation management areas. We published our quarterly newsletter on transportation alternatives distributed to employers, municipalities and institutions. Staff also began work on a computer based ride sharing and transportation information system that will be operational in late 1996.

**Infrastructure Inventory** - The region's communities with sewer and/or water service were inventoried; and their systems and service areas were mapped. A digital overlay was created for our GIS system, and the information can be amended and updated with ease. These data are particularly important to prospective industries and very useful to both local planning boards and the development community.

**Merrimack River** - We continued our participation in the Merrimack River Initiative, a joint undertaking involving local, regional state representatives from both New Hampshire and Massachusetts as well as federal agency participation in an effort to improve resource protection results throughout the river's two state watersheds. Among its projects for 1995 were a study of river flow levels, an inventory of natural resources and the establishment of a volunteer water quality monitoring network.

I want to close by adding a note of thanks and recognition to our Commissioners from Brookline: Selectmen Russ Heinselman, Bob Sykes, Rich Napolitano and Allan Fessenden; and by expressing my gratitude for the cooperation and support that we have received from all of Brookline's town officials.

Respectfully submitted,

Don E. Zizzi  
Executive Director

# 1995 BROOKLINE CONSERVATION COMMISSION REPORT

The year was one of the busiest ever for the BCC. As directed by a vote at Town Meeting, we used \$40,000 from the Land Acquisition Fund to help purchase the Whitcomb lot at the headwaters of the Nissitissit across from the "Grove". The Recreation Commission will be in charge of improving, and maintaining the parking area and the BCC is planning a work day in the spring to beautify the area, and create picnic spots and paths. Townspeople will be invited to participate. The Land Acquisition Fund which is funded by a percentage of the current use change penalty tax when land is put into development was discussed and approved at last years town meeting. The money has been transferred to the New Hampshire Public Deposit Investment Pool where it will earn more interest and can be accessed at short notice.

The Commission continues to have a representative at most Planning Board meetings, and to review all site plans. It did a number of site walks over the year, and worked with the Planning Board on numerous matters.

The Flint Meadow Conservation Easement came under review when a logging operation was undertaken adjacent to it. The logging company wanted to include easement land in their operation to maximize their profits. They were denied permission. One homeowner was given permission to clear some trees that directly threatened the safety of his home. The BCC purchased attractive medallions and posted them at the boundaries of the easement. These medallions will also be used at other easements around town, to better define them.

The BCC reviewed NH Fish and Game plans to upgrade the boat launch area on Lake Potanipo. We made many suggestions to the state and were happy to find that they took almost all our concerns and suggestions into consideration. The site has been greatly improved.

The BCC purchased 49 acres of land to add to the Palmer Wildlife Preserve for \$57,000. A professional appraisal was done before we negotiated with the bank. Planning is underway for managing the area and we are working on an informational booklet with pictures and trail information. We are very excited about this valuable addition to conservation land in town. We attended the annual meeting of the NH Association of Conservation Commissions, and participated in a number of valuable seminars and conferences. We are also working on a plan for a walking/bike path to go from the village store, to the ballpark. Finally we are actively seeking new and enthusiastic members for the new year.

Respectfully Submitted,

Sid Hall, Jr.  
Libby Wehrle-Anderson  
Co-chairs, BCC

# EMERGENCY MANAGEMENT ANNUAL REPORT

The Enhanced 9-1-1 Emergency Phone System was successfully instituted in Brookline. The Emergency Management Director in cooperation with the NYNEX E-911 Data Management team compiled the master street address guide for every house location in Brookline. Although no street names were changed, some residents did have to modify their street address to match the computer system.

The weather spared Brookline during the year. The Emergency Operation Center was opened only two times during the year to coordinate emergency services.

To take advantage of the existing multiple phone lines, computer capability and cable TV generator, the Emergency Operation Center has been relocated to the Town Hall. Radio communication capability has also been installed. A portable generator has been installed to power the EOC and will be permanently installed during the coming year.

The Emergency Management Director has attended FEMA funded courses on Major Air Crash Management, Hurricane Emergencies, Winter Storm Emergencies, Dam Management and Flood Control. He has coordinated with the various local emergency action groups to ensure their response in an emergency.

During the high water events throughout the year, all streams and waterways were routinely monitored to reduce the potential of flooding. All the streams and waterways have adequate sluiceway capability and were kept free of ice jams and floating material accumulations.

To locate the open Brookline shelter during an emergency or an impending disaster, call (603) 465-3636 or tune to Cable access Channel 16 for instructions.

Anyone who would like to participate in the Local Emergency Planning Committee is invited to contact the Director at (603) 673-8855 for more information.

Respectfully submitted,

Wesley N. Whittier  
Emergency Management Director

# REPORT OF THE FIRE ENGINEERS

## FOR 1995

The Fire Department responded to a total of 131 calls, which resulted in a total of 2057 firefighter hours.

### CALLS

CO Detectors	9	House/Structure	4	Chimney	4
Brush	4	Car Accidents	19	Mutual Aid	19
Alarm Act.	19	Gas/Propane	2	Illegal Burns	9
Smoke Check	13	Special Details	13	House Smoke Ck	3
Oil Burner	2	Oven/Dryer Fire	3	Car Fire	3

The Board of Engineers, and members of the Fire Department would like to thank the townspeople for supporting the lease/purchase of our new fire truck. The new 5-Engine-2, was delivered in December of 1995, and put into service shortly thereafter. The new truck can seat 6 firefighters, and has plenty of compartment space for equipment.

We would like to thank the townspeople for their continued support of our breakfasts, and chicken barbecue. Anyone interested in looking at our new truck, can view it at our breakfasts.

In this year's town warrant articles, we will be asking for the town's support, to sell the 1968 fire truck, and use the money received from the sale towards new equipment for the department. Also we will asking for support in formally adopting RSA 154, which will recognize the Brookline Fire Department as a municipal fire department.

We would like to thank Lee Duval, the ambulance attendant, for the greatly appreciated secretarial work for the engineers and the department. With the purchase of the new fire truck a lot of paper work was brought on, which Lee did a great job in handling.

As always we would like to thank our firefighters, and their families for their many hours of dedication spent on training and calls.

Respectfully Submitted,

The Board of Fire Engineers  
Charles E Corey Sr.  
Scott Knowles  
Curt Jensen

of the  
BROOKLINE  
SCHOOL DISTRICT  
1995

1995 ANNUAL REPORT OF THE OFFICERS  
of the  
BROOKLINE SCHOOL DISTRICT

SCHOOL BOARD

Mrs. Marcia T. Farwell	Term Expires 1996
Mr. Ernest R. Hudziec	Term Expires 1997
Mr. Dexter K. Decker	Term Expires 1998
Mr. Thomas Arnold, Moderator	Term Expires 1996
Mrs. Sandra Dee, Treasurer	Term Expires 1996
Mrs. Kathleen A. O'Sullivan, Clerk	Term Expires 1996

ADMINISTRATION

Dr. Kenneth L. DeBenedictis	Superintendent of Schools
Miss Deirdre M. Farrell	Business Administrator
Mr. Robert R. Kelly	Director of Special Education
Mr. Richard Maghakian	Principal
Mrs. Elizabeth Eaton	Assistant Principal

Dedicated to the Memory of Sandra Dee for her unselfish dedication to family, friends and community. Her smile brightened the lives she touched.

## **SCHOOL WARRANT**

The State of New Hampshire

**POLLS OPEN AT 10:00 AM - WILL NOT CLOSE  
BEFORE 7:30 PM**

To the inhabitants of the School District of the Town of Brookline  
qualified to vote in District affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE BROOKLINE ELEMENTARY SCHOOL  
IN SAID DISTRICT ON THE TWELFTH DAY OF MARCH, 1996, AT TEN O'CLOCK  
IN THE MORNING TO ACT UPON THE FOLLOWING SUBJECTS:

1. To choose a Moderator for the ensuing year.
2. To choose a Clerk for the ensuing year.
3. To choose a Treasurer for the ensuing year.
4. To choose two (2) Auditors for the ensuing year.
5. To choose a member of the School Board for the ensuing three years.

GIVEN UNDER OUR HANDS AND SEALS AT SAID BROOKLINE THIS TWENTY-  
FIFTH DAY OF JANUARY, 1996.

Marcia T. Farwell  
Dexter K. Decker  
Ernest R. Hudziec  
SCHOOL BOARD

A true copy of the Warrant attest:

SCHOOL BOARD

BROOKLINE SCHOOL DISTRICT WARRANT  
THE STATE OF NEW HAMPSHIRE

To the inhabitants of the School District in the Town of Brookline in the County of Hillsborough, State of New Hampshire, qualified to vote in District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE BROOKLINE ELEMENTARY SCHOOL IN SAID DISTRICT ON THURSDAY, THE SEVENTH DAY OF MARCH, 1996, AT 7:30 O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS.

1. To see if the school district will vote to approve the salaries of the school district officers as follows: Moderator \$0, School District Clerk \$10, Treasurer \$150, two Auditors at \$50 each, two School Board Members at \$200 each and the School Board Chair \$300.
2. To see if the school district will vote to raise and appropriate the sum of \$36,298 for the 1996-97 fiscal year, such sum representing the additional costs attributable to the increase in salaries, as negotiated, over those of the appropriation at current staffing levels paid in the prior fiscal year. The school board recommends this appropriation.
3. To see if the school district will vote to raise and appropriate the sum of \$25,000 for the purpose of purchasing kitchen equipment at Brookline Elementary School. The school board recommends this appropriation.
4. To see if the district will vote to raise and appropriate up to \$50,000 to fund the following purposes:
  - establishment of a site committee that would select a site of at least 35 acres for a new school, perform any required testing of the site and negotiate a price for the site
  - establishment of an educational specification committee for the new school. This may mean the employment of a consultant or administrator
  - establishment of a building committee to select an architect to prepare drawings, specifications and costs of a new school.  
(Submitted by petition).

5. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officers and agents and for the payment of statutory obligations of the district. The school board recommends the posted budget.
6. To transact any other business which may legally come before said meeting.

GIVEN UNDER OUR HANDS AND SEALS AT SAID BROOKLINE ON THIS 7th DAY OF FEBRUARY, 1996.

Marcia T. Farwell, Chair  
Dexter K. Decker  
Ernest R. Hudziec

Marcia T. Farwell, Chair  
Dexter K. Decker  
Ernest R. Hudziec  
SCHOOL BOARD

## BROOKLINE SCHOOL DISTRICT MEETING

March 9, 1995

Thomas J. Arnold, Jr. opened the Annual Brookline School District Meeting at 7:39 PM at Brookline Elementary School. Moderator Arnold began the meeting by reading from the warrant.

1. To see if the school district would vote to approve the salaries of the school district officers as follows: Moderator, nothing; School District Clerk \$10, Treasurer, \$150, two Auditors at \$50 each, two school board members at \$200 each and the School Board Char, \$300.

Nancy Helene moved the article as written. Ernie Hudziec seconded. The motion passed by a show of hands with no discussion but for one resident who inquired as to why the moderator's salary is zero. Thomas Arnold responded he has never sought any compensation for this job.

2. To see if the district will vote to raise and appropriate the sum of \$29,715 for the 1995-96 fiscal year, such sum representing the additional costs attributable to the increase in salaries, as negotiated for the second year of the contract, over those of the appropriation at current staffing levels paid in the prior fiscal year.

Ernie Hudziec moved the article as written. A voter seconded the motion.

Marcia Farwell moved to change the figure from \$29,715 to \$24,915, a reduction of \$4,800 due to new information that the dental insurance has been reduced and we can save that amount of money in the contract amount. Rich Maghakian seconded the motion. The amendment passed with no discussion.

Steve Paulson asked how we measure the quality of the educational value of what we're getting here as a measure of the value we're getting for our teacher's salaries? Ernie Hudziec explained that they use a combination of standardized testing and parental input. Jack Flanagan asked what percent? Ernie Hudziec said approximately 4 percent.

The motion passed by a show of cards.

3. To see what sum of money the district will vote to raise and appropriate for the support of schools, for the payment of salaries of school district officers and agents and for the payment of statutory obligations of the district.

Marcia Farwell moved that the district vote to raise \$2,143,810 for the support of schools, for the payment of salaries of school district officers and agents and for the payment of statutory obligations of the district. The motion was seconded by Dottie Haight.

Discussion focused on the proposed increases in the areas of special education, office of superintendent and educational media.

The question was moved by Jack Flanagan. The article passed by a show of cards.

4. To transact any other business which may legally come before said meeting.

Mr. Lot Phillips moved that the district establish a study committee to explore possible site locations and grade configurations for a second educational building in Brookline. This motion was seconded by Clarence Farwell.

Discussion followed. Marcia Farwell spoke in favor of this motion, explaining that after a motion was made at the recent meeting of the Hollis/Brookline Cooperative School District to consider such a building, that district's legal counsel advised it was not a good idea because there was no specific educational plan. Marcia Farwell said that for Brookline to appoint this committee would be a good idea. Other voters spoke in favor of this motion also, and the motion passed.

The meeting adjourned at 9:10 p.m.

Respectfully submitted,  
Kathleen A. O'Sullivan  
School District Clerk Pro-Tem

## REPORT OF THE SUPERINTENDENT OF SCHOOLS

The Superintendent's report reviews the 1994-95 school year. During that time, Interim Superintendent Damon Russell was responsible for all school activities and programs. Mr. Russell filled the position for two years and during that time won the respect of the Hollis/Brookline community for his interest and effort in continuing the tradition of excellence the schools enjoy. I wish him well in his retirement and anticipate that he will now have the time to pursue the many interests he has.

I assumed my position on July 31, 1995, and I am thoroughly enjoying the responsibilities involved. I have come to know and respect the hardworking administrators, creative teachers, supportive parents and delightfully engaging students. Efforts from these individuals have resulted in some wonderfully successful opportunities for learning. Opportunities that are observed in the classrooms I frequently visit and consistently reported to you in school newsletters and local and area media.

We have begun a number of initiatives in curricula renewal, technology development and space needs planning. Many individuals representing several groups are currently involved, and some very exciting first steps are being taken. Through continued collaboration, some dramatic impacts on student learning should become evident.

Hollis and Brookline face some very interesting challenges in the near and distant future. By planning now, actively engaging interested residents and carefully mapping our future, these challenges could become the driving force creating more growth and success. I look forward to our continued work together and encourage you to join in any one of our several efforts.

Respectfully,

Kenneth L. DeBenedictis, Ed.D.  
Superintendent of Schools

## REPORT OF THE DIRECTOR OF SPECIAL EDUCATION

In accordance with the mandates of Public Law 94-142 and the New Hampshire Standards for the Education of Handicapped Students, School Administrative Unit (SAU) #41 continues to coordinate special education programs and related services to meet the unique needs of educationally coded students throughout Hollis and Brookline. This year we are coordinating services for 198 students ranging from 3 to 21 years of age. This constitutes 11.7% of the overall student body which is just below the average for public schools across the state.

The salient goal of special education is to assure all children have an "appropriate educational experience." This means that when a student has a significant deficit in the learning process, resulting in delayed achievement relative to their intellectual functioning and grade level, the school system provides services to address the factors adversely impacting his/her academic performance. Special education interventions are two fold: remedial services to enhance growth in the child's deficit area(s) and compensatory services to facilitate the student's successful engagement with their regular classroom instruction. For example, if a student has significant difficulty learning to read, the special services personnel provide both reading programs to enhance the child's reading skills as well as supportive assistance to classroom experiences so that his/her acquisition of knowledge taught in the regular classes is not prevented by their learning difficulties.

Specialized instructional services take place both within the student's regular classroom setting as well as within reduced ratio resource rooms. The district's programs successfully address the needs of the majority of educationally coded students each year. Only a few students present significantly more complicated profiles necessitating alternative specialized programs outside their school. The goal of all placements is for students to develop the skill levels necessary to return to and successfully prosper from the district's regular educational programs. Under the parameters of PL 94-142, all efforts are made to appropriately service students within the "least restrictive setting", that being regular education classes with their peers.

The Special Education department also coordinates approximately 90 psycho-educational assessments annually. Public Law 94-142 and the NH State Standards require the identification of educationally handicapped students via formal evaluations in order to determine the presence or absence of significant deficits and the need for special education interventions. It is the ongoing objective of our district to address the diversity of student learning styles within regular education instruction. We are continuing to work on increasing the integration of special education and regular education curriculum and instructional strategies.

In-service training for regular education and special education staff is focusing on: implementing inclusionary services, systematizing remediation programs and classroom modifications for specific deficit skills, standardizing evaluation and intervention procedures for students with attentional/hyperactivity difficulties as well as updating practices in conjunction with ongoing changes in special education laws and guidelines.

The special education budget reflects all expenditures for in-district programs and instructional materials, evaluation and placement services, related service therapies, salaries for teaching staff, out-of-district tuitions and specialized transportation costs. Offsetting revenues are annually pursued via federal grants and state funded Catastrophic Aid for student expenses beyond three and a half times average state tuition. A prioritized goal of the Special Education Department is to provide quality cost effective services to our districts' students.

Respectfully submitted,

Robert R. Kelly, M.A.  
Director of Special Education  
School Administrative Unit #41

# HOLLIS/BROOKLINE COOPERATIVE SCHOOL DISTRICT WARRANT

## The State of New Hampshire

To the inhabitants of the School District in the Towns of Hollis and Brookline in the County of Hillsborough, State of New Hampshire, qualified to vote upon District Affairs:

YOU ARE HEREBY NOTIFIED TO MEET AT THE HAMPSHIRE HILLS SPORTS & FITNESS CLUB, 50 EMERSON ROAD, MILFORD, NEW HAMPSHIRE ON TUESDAY, THE FIFTH OF MARCH 1996, AT 7:00 O'CLOCK IN THE EVENING TO ACT UPON THE FOLLOWING SUBJECTS:

1. To see if the school district will vote to raise and appropriate the sum of \$10,800,000 for the purchase of land, site development, construction and original equipping of a new high school, including equipment and furnishings, architectural fees, professional service fees and any items incident to and/or necessary for said construction, and said sum to be in addition to any federal, state, or private funds made available therefore, and to authorize the issuance of not more than \$10,800,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the school board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the interest earned on the investment of these bond proceeds to be used for the above purpose. The Hollis/Brookline Cooperative School Board and the Hollis/Brookline Budget Committee recommend this appropriation. (A 2/3 ballot vote required).

**(NOTE: IT IS THE INTENT OF THE HOLLIS/BROOKLINE COOPERATIVE SCHOOL BOARD THAT DISCUSSION ON THIS ARTICLE WILL CONTINUE UNTIL SUCH TIME AS THE VOTERS DETERMINE THEY WISH TO VOTE. AT THAT TIME POLLS WILL STAY OPEN UNTIL 11:00 P.M. OR UNTIL ALL VOTERS PRESENT HAVE HAD THE OPPORTUNITY TO VOTE ON THE BOND ISSUE. THE MEETING WILL THEN ADJOURN UNTIL 7:00 A.M. ON WEDNESDAY AT THE HOLLIS FIRE DEPARTMENT FOR VOTING ALL DAY THROUGH 6:00 P.M. AT 6:00 P.M., THE MODERATOR WILL DECLARE THE POLLS CLOSED AND THE MEETING WILL RECONVENE AT 7:00 P.M. AT THE HAMPSHIRE HILLS SPORTS & FITNESS CLUB.)**

2. To see if the school district will vote to raise and appropriate the sum of \$1,200,000 for the purchase of the Hackett land so-called, containing approximately 88 acres, said sum to be in addition to any federal, state or private funds made available therefore, and to authorize the issuance of not more than \$1,200,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the school board to issue and negotiate such bonds or notes and to determine the rate of interest thereon. The school board recommends this appropriation. At press time the budget committee had not made its final recommendations. (A 2/3 ballot vote required).
3. To see if the school district will vote to raise and appropriate the sum of nine million dollars (\$9,000,000) for the acquisition, whether by purchase, option, exercise of option, exchange, lease or any combination thereof, of land, site development, construction and original equipping of a new high school, including equipment and furnishings, architectural fees, professional service fees and any items incident to and/or necessary for said construction, and said sum to be in addition to any federal, state, or private funds made available therefore, and to authorize the issuance of not more than nine million dollars (\$9,000,000) of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the school board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; to authorize the interest earned on the investment of these bond proceeds be applied for the above purpose. The intended site to be acquired shall be the western most portion of Land of Beaver Brook Association on the North side of Route 130. (A 2/3 ballot

vote required). (Submitted by petition).

4. To see if the school district will vote to amend the Articles of Agreement of the Hollis/Brookline Cooperative School District by deleting Article 5 as it currently is written and substituting new Article 5 as follows:

#### Article 5:

The capital and operating expenses of the Hollis/Brookline Cooperative School District, payable in each fiscal year, shall be apportioned sixty percent (60%) on the average daily membership of the students in each of the pre-existing districts in grades 7 through 12 during the preceding fiscal year and forty percent (40%) on the most recent equalized valuation of the pre-existing districts as calculated by the Department of Revenue Administration. Average daily membership shall be calculated by the SAU using the figures submitted to the State Department of Education on Form A 3a or its equivalent. The SAU will submit these figures to the Department of Revenue Administration separately.

To illustrate the intent of this article, the following example is provided. The capital and operating expenses for the 1996-97 fiscal year (July 1, 1996 to June 30, 1997) will be apportioned at the time the tax rates for each pre-existing district are set (approximately October, 1996). The average daily student membership for the 1995-1996 fiscal year (July 1, 1995 to June 30, 1996) will be used and will be available at the SAU office by September 1, 1996. The data concerning all resident pupils attending elsewhere will be provided by the special education department, the principals of both the junior and senior high schools and confirmed by the Superintendent of Schools. Equalized valuation figures for each pre-existing district will be the 1995 equalized valuation year calculated from data running from October 1, 1994 to September 30, 1995. Equalized valuation figures for 1995 are generally available from the Department of Revenue Administration in May 1996. The school board recommends this article. At press time the budget committee had not made its final recommendations.

5. To see if the school district will vote to raise and appropriate the sum of \$808,560 for the first year lease of a modular junior high facility, including site development, construction and original equipping and furnishing of a modular junior high facility, and any items incident or necessary for said construction, said sum to be in addition to any federal, state, or private funds made available therefore. The school board recommends this appropriation. At press time the budget committee had not made its final recommendations.
6. To see if the school district will vote to raise and appropriate \$95,000 for payment of the first six months interest on the approved bond issue. The school board recommends this appropriation. At press time the budget committee had not made its final recommendations.
7. To see if the school district will vote to raise and appropriate \$60,000 for payment of the first six months interest on the approved bond issue. The school board recommends this appropriation. At press time the budget committee had not made its final recommendations.
8. To see if the school district will vote to approve the salaries of the school district officers as follows: Moderator \$ 00, School District Clerk \$ 00, Treasurer \$360, six School Board Members at \$450 each and the School Board Chair \$600. The school board recommends this appropriation. At press time the budget committee had not made its final recommendations.
9. To see if the district will vote to raise and appropriate a sum of \$130,232 to fund the increase in cost items relative to professional staff salaries and fringe benefits for the 1996-97 school year which resulted from good faith negotiations with the professional staff, and which represents the negotiated increase over last year's salaries and fringe benefits. The school board recommends this appropriation. At press time the budget committee had not made its final recommendations.

10. To see if the school district will vote to raise and appropriate the sum of \$24,675 to fund the increase in cost items relative to support staff salaries and fringe benefits for the 1996-97 fiscal year which resulted from good faith negotiations with the support staff, and which represents the negotiated increase over last year's salaries and fringe benefits. The school board recommends this appropriation. At press time the budget committee had not made its final recommendations.
11. To see if the district will vote to raise and appropriate \$6,613,833 for the support of schools, for the payment of salaries and benefits for employees, and for the payment of the statutory obligations of the district. The school board and budget committee recommendations are reflected on the posted budget.\*
12. To see if the school district will vote to authorize the Hollis/Brookline Cooperative School Board to sell any portion of the Hackett Site and to negotiate a fair and reasonable selling price. The school board recommends this article. At press time the budget committee had not made its final recommendations.
13. To see if the voters will vote to amend the Articles of Agreement of the Hollis/Brookline Cooperative School District as provided in Article 11 of the approved Articles of Agreement:
  - A. Delete the words "junior and senior" so Article 1 will now read -  
Article 1: The school districts of Brookline and Hollis shall combine to form a cooperative high school district which shall be named the Hollis/Brookline Cooperative School District.
  - B. No amendments to Article 2.
  - C. Delete the words "seven (7)" and replace with the words "nine (9)" so Article 3 will now read:  
The Hollis/Brookline Cooperative School District shall be responsible for grades nine (9) through twelve (12).
  - D. Delete the words "and the Hollis Junior High School" so Article 4 will now read:  
Article 4: The Hollis/Brookline Cooperative School District shall lease the Hollis High School "White Building" from the Hollis School District upon such terms and conditions as the Cooperative School Board negotiates and determines to be in the best interest of the Cooperative School District. The Hollis/Brookline Cooperative School District shall acquire, at no further cost, the existing land, building, and contents comprising that portion of the Hollis AREA High School initially constructed in 1962, including subsequent additions.
  - E. Delete the number "7" and replace it with the number "9" so Article 5 will now read:  
Article 5: The capital and operating expenses of the Hollis/Brookline Cooperative School District, payable in each fiscal year, shall be apportioned fifty percent (50%) on the average daily membership (ADM) of the students in grades 9 through 12 from each pre-existing district of the Cooperative School District during the preceding fiscal year, as determined by the State Department of Education, and fifty percent (50%) on the most recent equalized valuation of the pre-existing districts, as determined by the Department of Revenue Administration.
  - F. Delete the word "seven" and replace with the word "nine", also delete the number "7" and replace it with the number "9", so Article 6 will now read:  
Article 6: The State Aid to which each pre-existing district would be entitled if it were not part of the Cooperative School District, grades nine through twelve (9-12), shall be credited to such district's share of the total operating budget. In the event of a construction project, the State Building Aid which may be available to the

Hollis/Brookline Cooperative School District shall be applied to reduce the capital expenditure prior to the apportionment of costs under the provisions of Article 5.

G. No amendments to Articles 7, 8, 9, 10, 11, 12, and 13.

H. Article 14 refers to the hiring of staff for the 1991-92 school year and is no longer applicable.

I. Adopted amendments will take effect July 1, 1997. (Submitted by petition)

14. To transact any other business which may legally come before said meeting.

Given under our hands and seals at said Hollis, New Hampshire on this 14th day of February, 1996.

March 6, 1995  
Walters Auditorium

The meeting was called to order by Moderator, Joan Wheeler at 7:43 p.m. Announcements were made regarding the use of room 15/16 and the Jane Ballard room for overflow. The Moderator then reviewed the rules of conduct for the meeting.

Kathy Pasko asked those present to join her in thanking Carol Connor for her year in service to the school board, finishing out the unexpired term for Barbara Burkes.

It was moved by Nina Glastetter and seconded by Mike Harris that the school district vote to raise and appropriate the sum of \$14,950,000 for the purchase of land, site development, construction and original equipping of a new high school, including equipment and furnishings, architectural fees, professional service fees and any items incident to and/or necessary for said construction, and said sum to be in addition to any federal, state, or private funds made available therefore, and to authorize the issuance of not more than \$14,650,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the school board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the interest earned on the investment of these bond proceeds in the amount of \$300,000 for the above purpose as recommended by the Hollis/Brookline Cooperative School Board and the Hollis/Brookline Budget Committee.

The following incidental motion was recognized by the Moderator. It was moved by Jack Flanagan and seconded by Mike Harris that upon completion of discussion of Article 1, voting commence with a 'yes/no' secret ballot for a minimum of 1 hour. The meeting will then recess until 7:00 a.m. on Wednesday at the Hollis Fire Department for voting all day through 7:00 p.m. At 7:00 p.m., the Moderator will declare the polls closed and the meeting will reconvene at 8:00 p.m. at the Walters Auditorium in the Hollis/Brookline High School. The motion carried by teller card: yes 771, no 7. (There were 32 voters outside the hall who were unable to cast their vote on the incidental motion, however, their vote would not have effected the outcome.) It was moved by Kathy Pasko and duly seconded that reconsideration of this motion be restricted according to RSA 40:10. A teller card vote was taken and declared carried by the Moderator.

The Moderator then recognized representatives from the following boards and committees to make presentations regarding Article 1: Budget Committee, School Board, Communications Committee, Site Committee, Building Committee and the Finance Sub-Committee. These presentations covered information regarding student population projections, cost, budgeting, bonding, alternatives considered, site and design of the proposed school.

After discussion from the floor, the Moderator announced at 10:24 p.m. that the ballot box would be open for 1 hour. She then declared this meeting in recess for any other business until 8:00 p.m. tomorrow.

At 11:24 p.m., The ballot box was sealed by the Moderator and a representative of the Hollis Police Department. They then transported the ballot box to the secure evidence room at the Hollis Police Station. The reverse process was exercised in the morning when the Moderator and an Officer transported the ballot box to the Hollis Fire Station for all day voting.

Respectfully Submitted,

JoAnne Decker, Clerk

Hollis/Brookline Cooperative School District

Hollis/Brookline Cooperative School District  
Continuation of Annual Meeting  
March 7, 1995  
Walters Auditorium

The meeting was reconvened at 8:08 by Moderator Joan Wheeler. The results of the ballot on Article 1 were: 3,322 ballots cast, Yes 1,856; no 1,466. As the motion did not receive a 2/3 affirmative vote, the motion fails.

At this time, State Senator Tom Stawasz addressed the meeting.

It was moved by Mary Vallier-Kaplan and duly seconded that we reconsider Article 1, as provided by RSA 33:8-a:IV, on Monday, March 20, 1995 at 7:30 p.m. at the Walters Auditorium in the Hollis/Brookline COOP High School. After some discussion the motion carried by teller card vote, yes 208, no 180.

It was moved by Jerry Degrezio and seconded by Jim Liberty that the towns be assigned different color ballots for Article 1 when it is reconsidered. The Moderator explained that the Coop is a single district and she would not accept this motion. The decision of the Moderator was appealed. The vote of the meeting was in support of the Moderator, therefore her ruling stands.

The meeting was then turned over to Assistant Moderator, Jim Belanger. He asked permission of the voters to restrict reconsideration this evening on all articles, after the next Article is taken up. The majority of those present agreed.

Article 2 and Article 3. It was moved by Kathy Pasko and seconded by Mike Harris that these articles be tabled. A teller card vote was declared in favor of tabling these articles.

Article 4. It was moved by Mike Lynch and seconded by Ernie Hudziec that the Supervisory Area Unit #41 Board begin to immediately consider other Non High School solutions to provide a good education for all the students of the current district using the following guidelines during the consideration of other options:

1. Provide a good education for its students.
2. Provide the most cost effective solutions for both Hollis and Brookline taxpayers.
3. Provide a cooperative solution for educating the children which would strengthen, rather than divide, the Cooperative District and would also fairly consider the needs of both the Brookline Elementary School system and the Hollis Elementary School system. (submitted by petition)

After discussion, a teller card vote was taken and the motion declared failed by the Assistant Moderator.

Kathy Pasko gave a report from the Apportionment Study Committee indicating a deadlock primarily on town lines. A complete copy of the report is available in the SAU Office. The report was accepted and placed on file.

Article 5. It was moved by Tom Arnold and duly seconded to pass over this article amending the Articles of Agreement, removing the 7th and 8th grades from the COOP. The motion carried on a teller card vote.(declared by the Assistant Moderator)

Article 6. It was moved by Ann Webb and seconded by Ernie Hudziec to pass over this article amending the Articles of Agreement, adding grades R through 6 to the COOP. The motion carried on a teller card vote. (declared by the Assistant Moderator)

Article 7. It was moved by Carol Connor and seconded by Jack Flanagan that the school district vote to approve the salaries of the school district officers as follows: Moderator \$0, School District Clerk \$0, Treasurer \$360, six School Board Members at \$450 each and the School Board Chair \$600, as recommended by the school board and budget committee. The motion carried on a teller card vote. (declared by the Assistant Moderator)

Article 8. It was moved by Mike Harris and duly seconded that the district vote to raise and appropriate a sum of \$114,601 to fund the increase in cost items relative to professional staff salaries and fringe benefits for the 1995-96 school year which resulted from good faith negotiations with the professional staff, and which represents the negotiated increase over last year's salaries and fringe benefits, as recommended by the school board and budget committee. The motion carried on a teller card vote. (declared by the Assistant Moderator)

Article 9. It was moved by Kathy Pasko and seconded by Mike Harris that the district vote to raise and appropriate a sum of \$5,288 to fund the increase in cost items relative to support staff salaries and fringe benefits for the 1995-96 fiscal year which resulted from good faith negotiations with the support staff, and which represents the negotiated increase over last year's salaries and fringe benefits. The motion carried by a teller card vote. (declared by the Assistant Moderator)

Article 10. It was moved by Glenn Bulduc that the district vote to establish a position of "Technology Support Coordinator" at 40% of full time and raise and appropriate a sum of \$15,417 which represents the budgeted amount for salary and fringe benefits, as recommended by the school board and the budget committee. The motion carried on a teller card vote. (yes 193, no 83)

Article 11. It was moved by Dick Loveland and seconded by Jim Kelly that the district vote to raise and appropriate \$10,000 to fund the first phase of a long term electronic communication program. The first phase will introduce and provide shared information capabilities, conferencing, and electronic mail for selected teachers and staff of the High School. The selected departments and library will have full access to Internet to begin to integrate its offerings with the overall curriculum. As this article was submitted by petition, a 5 minute presentation was allowed.

It was moved by Chuck Conneighton and duly seconded that the dollar figure for Article 11 be amended to read \$26,000. The amendment failed on a teller card vote. (declared by the Assistant Moderator)

The vote on Article 11 was then taken and the motion carried on a teller card vote. (declared by the Assistant Moderator)

Frank Durham moved that the meeting be adjourned until 7:30 p.m. on March 20, 1995. The motion was duly seconded and the motion carried on teller card vote. (declared by the Assistant Moderator)

The meeting adjourned at 10:58 p.m.

Respectfully Submitted,

JoAnne Decker, Clerk  
Hollis/Brookline Cooperative School District

Hollis/Brookline Cooperative School District  
March 20, 1995  
Continuation of Annual Meeting  
Hollis/Brookline Cooperative High School  
Walters Auditorium

The meeting was reconvened at 7:30 p.m. by Assistant Moderator James Belanger. Interactive video was set up at the Hollis/Brookline Junior High School to handle the overflow and Frank Durham was sworn in as an Assistant Moderator. As attendance increased beyond the capacity of both the High School and the Junior High School, Peter Webb was also sworn in as an Assistant Moderator to handle overflow into the Hollis Elementary School. Assistant Moderator James Belanger reviewed the procedures regarding debate after which he read Article 1.

Article 1. To see if the school district will vote to raise and appropriate the sum of \$14,950,000 for the purchase of land, site development, construction and original equipping of a new high school, including equipment and furnishings, architectural fees, professional service fees and any items incident to and/or necessary for said construction, and said sum to be in addition to any federal, state, or private funds made available therefore, and to authorize the issuance of not more than \$14,650,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the school board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the interest earned on the investment of these bond proceeds in the amount of \$300,000 for the above purpose. The Hollis/Brookline Cooperative School Board and the Hollis/Brookline Budget Committee recommend this appropriation. (A 2/3 ballot vote required).

It was moved by Nina Glastetter and seconded by Jack Flanagan that Article 1 be amended as follows:

That the District vote to raise and appropriate the sum of \$12,450,000 for the purchase of land, site development, construction and original equipping of a new high school, including equipment and furnishings, architectural fees, professional service fees and any items incident to and/or necessary for said construction, and said sum to be in addition to any federal, state, or private funds made available therefore, and to authorize the issuance of not more than \$12,200,000 of bonds or notes in accordance with the provisions of the Municipal Finance Act (RSA Chapter 33) and to authorize the school board to issue and negotiate such bonds or notes and to determine the rate of interest thereon; furthermore, to authorize the interest earned on the investment of these bond proceeds in the amount of \$250,000 for the above purpose.

A presentation was begun by the school board regarding the changes in the building as a result of the new lower funding request. At 7:55 p.m. Assistant Moderator James Belanger recessed the meeting for 20 minutes to accommodate voters still going through the checklist and being bussed to the elementary school.

At 8:20 p.m., Mr. Belanger requested permission from those present to suspend the regular order of business to accept an incidental motion regarding voting on Article 1. By a show of teller cards, the voting body agreed.

It was moved by Glenn Bulduc and seconded by Jack Flanagan that discussion on Article 1 commence at 9:00 a.m. on Saturday, April 8, 1995 at the Walters Auditorium in the Hollis/Brookline High School and voting with a 'yes/no' secret ballot to follow for a minimum of one hour, or until 5:00 p.m., whichever is latest, at which time the moderator will declare the polls closed and the meeting will reconvene. Discussion followed.

It was moved by Basil Mason and seconded by Trish Jensen to amend the incidental motion to provide for all day balloting on April 8, 1995 from 7:00 a.m. to 7:00 p.m. with discussion occurring

tonight (March 20, 1995) After additional discussion, Mr. Mason withdrew his motion to amend the incidental motion and made a new motion to amend (seconded by Ernie Hudziec) as follows:

That the Hollis/Brookline School District vote on Article 1 for at least 1 hour on March 20, 1995 and from 7:00 a.m. to 7:00 p.m. on March 21, 1995 at the Hollis Fire Station with the meeting to reconvene at 8:00 p.m. Discussion ensued. A motion calling for the question was made by Margaret Olsen and seconded by Judy Cook. ( carried by teller card vote) The vote on the amendment carried.(yes 635, no 436)

It was moved by Jennifer Nicosia-Rusin and seconded by Susan Haight that we table the amendment to Article 1. By the rules of this meeting as established at the beginning of this meeting, this motion requires a 2/3 majority vote. The motion to table was overwhelmingly defeated.(Teller card vote)

It was moved by Tom Comstock and seconded by James McDonald that we restrict reconsideration of the motion establishing the voting parameters on Article 1. The motion carried.(Teller card)

The school board continued an abbreviated presentation of the new bonding proposal as reflected in the amendment to Article 1 that covered construction changes, a comparison of the Hacket and Lorden sites, bonding, cost of double sessions and the dissolution process should the coop decide to dissolve. A straw vote on preference of site was: Hacket 441, Lorden 208, either 86. Additional discussion followed.

The question was moved by Bill Riley and seconded by Jack Flanagan. The motion carried.(Teller card)

The Amendment to Article 1 carried.(Teller Card)

At 11:45 p.m. Mr. Belanger announced that the ballot would be open for one hour tonight , would reopen at 7:00 a.m. tomorrow at the Hollis Fire Station and that the meeting would reconvene at 8:00 p.m. on March 21, 1995.

At 12:45 p.m. the ballot box was sealed by Mr. Belanger and a representative of the Hollis Police Department. They then transported the ballot box to the secure evidence room at the Hollis Police Station. The reverse process was exercised in the morning when he and an Officer transported the ballot box to the Hollis Fire Station for all day voting.

Respectfully Submitted,

JoAnne Decker, Clerk

Hollis/Brookline Cooperative School District  
March 21, 1995  
Continuation of Annual Meeting  
Hollis/Brookline Cooperative High School  
Walters Auditorium

The meeting was reconvened by Assistant Moderator James Belanger at 8:06 p.m. The result of the ballot on Article 1 was announced. Total ballots cast 3,101; yes 1660, no 1441. A bonding vote requiring a 2/3 vote, Article 1 failed.

Article 12. It was moved by Mary Norton and seconded by Nina Glastetter that the district vote to raise and appropriate \$6,609,102 for the support of schools, for the payment of salaries and benefits for employees, and for the payment of the statutory obligations of the district as recommended by the school board and budget committee.

Nina Glastetter gave a presentation on the only measuring devices we have for gauging how well Hollis/Brookline does in educating it's students, i.e. SAT's, CAT's and various awards that have been earned in this district.

Mary Norton asked those present to join her in thanking Marilyn Lerner for filling in on the budget committee for 1 year.

The budget committee presented information regarding the proposed budget including the fact that \$35,000 had been added at the last minute for the specific purpose of funding the necessary research to prepare for the 1996-97 school year when the Junior High building will no longer be available to the Coop.

There being no discussion on this article, a vote was taken. The motion carried.(Teller card vote)

It was moved by Kathy Pasko and seconded by Av Harris that the school board authorize the apportionment study committee to continue to meet until the March 1996 annual meeting.

Chuck Rozwat moved and it was duly seconded that the apportionment committee continue with new membership as appointed by the school board chairperson. After discussion, the amendment carried.(Teller card)

It was moved by Kathy Pasko and seconded by Jack Flanagan that the apportionment committee give a report at the March 1996 annual meeting.The motion carried.(Teller Card vote)

Lee Hardy thanked all who worked so diligently on the high school proposal and called on the two communities to take some 'cooling off' time and then work together as a cooperative to find a solution to their space problems.

It was moved by Fred Gimbell and seconded by Webster Bridges that the meeting be adjourned. The motion carried.(Teller card)

Respectfully Submitted,

The Apportionment Study Committee of the Hollis/Brookline Cooperative School District consists of residents of Hollis and Brookline, School Board members, and finance and budget committee members. The members have devoted their time and energy to research and study of all the issues related to apportionment.

The committee began its study in October and reached an agreement January 3, 1996. The committee recommends a formula of: **60% ADM / 40% EV**. **11 of the 13** Committee members endorse the formula 60%ADM / 40% EV. This means that 60% of the budget for the Cooperative School District is apportioned by the Average Daily Membership (ADM) of each town and 40% of the budget is apportioned by the Equalized Valuation (EV) of each town.

The committee reviewed 12 apportioning ideas. Review of the numbers associated with different formulas were studied. The group agreed to the following assumptions:

- use SAU population projections
- plan for a 2% growth of operating budget
- equalized and actual valuation will grow at 3.0% for Brookline and 2.7% for Hollis
- a \$10.8M high school passes

The committee also voted to use the local SAU attendance numbers.

The equalized evaluation numbers will be used as obtained from the state.

The committee recognizes that any change in the apportionment formula is decided at the March District Meeting by the voters and is fixed for only 5 years by RSA 195:7. After a change has been made in the formula, it can be revisited in five years if the district feels the needs and circumstances at that time warrant a change. If the current 50%ADM / 50%EV formula does not change this year, then the apportionment agreement remains at 50%ADM / 50%EV and can be looked at again next year.

# Proposed Apportionment Formula 60% Average Daily Membership (ADM) 40% Equalized Valuation (EV)

The two graphs below illustrate the effect of the proposed 60/40 change in apportionment and how it will impact Coop tax rate and cost per student. The following assumptions were used in the calculation:

1. \$10.8M high school passes.
2. October 1995 SAU projections were used.
3. 2% growth of Coop operating budget.
4. Equalized and actual valuation were projected at 3.0% for Brookline and 2.7% for Hollis.
5. Interest only on first year (96-97).
6. Used the formula proposed in warrant article 5 to calculate ADM and EV.

**Hollis/Brookline Junior High School  
Principal's Annual Report**

The 1995-96 school year began on schedule, thanks to the many overtime hours worked by the General Contractor. The school has grown significantly, with eight new classrooms (and more to come), a major renovation of the front of the building, and improved facilities within. We look forward to a greatly expanded gymnasium opening in a few months.

The teachers and students have not allowed the renovation project to interfere with the educational process and are to be congratulated for this. The second level in the existing building was not available because of the remodeling, decreasing space available for classes.

Our students continue to distinguish themselves in academic competitions:

1. New England Math League

7th Grade Contest -

- Hollis/Brookline Junior High finished in third place for the NH region.
- **Bert Lue** placed second in the individual competition.

8th Grade Contest -

- Hollis/Brookline Junior High finished in second place for the NH region.
- **Randy Brown** placed second in the individual competition.

2. Writing Awards

- **Emily Gagne** was a winner in the National Scholastic writing contest. She was invited to read her short story at the Library of Congress in Washington, DC.
- **Laura Bigelow** was selected to read her poem "Sequined Carlito" at the Literary Festival at Rivier College.
- **Jessica Schroth** was a winner in the UNH Education Association writing contest.
- **Kristin Markowich** earned second place for her essay in the Martin Luther King writing contest for New Hampshire.

Three of our students are attending high school math classes, thanks to the close working relationship we have with the staff at the high school.

7th and 8th grade teaching teams have worked together for the past year and have accomplished the following goals:

- developing and sharing strategies to assist student learning.
- facilitating meetings with parents.
- sharing short and long-term curriculum objectives with other team members in order to coordinate learning.
- sharing interdisciplinary ideas in order to broaden student's understanding of their subjects.

We continue to provide a diverse array of co-curricular activities designed to meet student's interests and abilities in music, art, theatre, and athletics.

I would like to thank the exceptional volunteers who devoted over 1700 hours of their time to participate in our program. We received again a Blue Ribbon Award from the NH Partners in Education.

Respectfully submitted,  
Robert McGettigan  
Principal

## HOLLIS/BROOKLINE HIGH SCHOOL PRINCIPAL'S ANNUAL REPORT

The 1994-1995 school year carried the theme "Our Best Year Ever." We combined the strengths, talents, experiences, and creativity of all the members of our school community and did indeed enjoy a productive year of growth and improvement. It is most worthy of note that every year at Hollis/Brookline High School is our best year ever . . . we always believe in growth and improvement for all. This year we live and plan and work by our theme "Anything Is Possible."

Our staff, with parent, student, and community volunteers, spent hundreds of hours after school and during inservice days preparing a comprehensive report on the high school. This process, which began in early 1994, came to fruition with a visit by an evaluation team sent by the New England Association of Schools and Colleges (NEASC). In November, 1995, the evaluation team visited with us for four days and subsequently submitted a report to the association. This report should be available by March 1996. We learned all about ourselves and where we are today: a quality comprehensive high school where a caring staff works with delightful, bright young men and women. Now we can work even more efficiently on where we want to be tomorrow and how to accomplish those goals. Thank you to all who gave of their time to help produce this evaluation document.

New additions to our staff are bringing new experiences and tremendous energies to our work. Elaine Bennett transferred in from the junior high to join our high school special education staff. Cynthia Bruce is now teaching levels 2, 3, and 4 of German, using the skills she further enhanced in Germany. Geoff Drew, a capable and talented artist whose experience came from Vermont, took Jeanne Smith-Cripps' place in art during her sabbatical. Kristen Ferradino joined us with several years of experience and a dynamite personality to teach Spanish. Veteran teacher Rob Nadeau has brought strong teaching skills and a creative approach to our social studies students. Kara Worthley, a creative, energetic first year teacher, is filling in for Wilma Sherman during her personal leave. We also welcomed three aides. In special education Kate Skinner replaced Pat Berghorn, in guidance Chris Hanson replaced Janet Lawrence, both of whom retired, and Christine Page joined us in special education.

We have continued our work on interdisciplinary units. For 1995-1996 as a faculty we adopted a theme, bridges, to intertwine in our curricula throughout the year. All our teachers are at various stages of development of interdisciplinary activities. Last year Carolyn Allen, Rod Ferland, and Jeanne Smith-Cripps again combined poetry, music, and photography for the poetry slam. John Kittredge, environmental science; Bill Neller, social problems; and Wilma Sherman, English, created a unit, "A Whale of a Project."

The Advisory Council, made up of students and staff members elected by their peers, has been busy in its second year. They helped address the parking lot concerns with research on the paving and painting. They put together an enhanced senior privilege package to include an option to leave campus during free periods, the program currently in place on a trial basis. These students have worked on field trip and student driving policies to present to the school board. The Student Council, comprised of students elected by their peers, now focuses its energies and creative talents on fundraising and social events.

Last March the school district voters approved a warrant article of \$10,000 for technology. The result is CavNet, with community members from the Brookline and Hollis working with high school students and teachers. Their focus has been on access to the Internet and e-mail. They have also been instrumental in preparing the ground work for further development and upgrade of technology for the high school experience.

In November for our second annual American Education Week at the high school we wore blue ribbons to celebrate education. The Hollis Education Association (HEA) placed apples in staff members' mailboxes and shared a large cake. Time was taken out of our busy schedules to write notes of thanks to people who have made a difference in our education. Highlights of the week included an appreciation brunch for support staff, an appreciation luncheon for all staff, and all students participated in a bulb planting ceremony on our campus.

The S-Team again organized beautiful, fun-packed after prom and after graduation parties. Attendance and spirits were high as students enjoyed great music and tireless dancing, games and contests, terrific prizes donated by area groups and merchants, fabulous decorations, and endless delicious treats in the festive atmospheres.

Again, our high school won the Blue Ribbon School Achievement Award sponsored by New Hampshire Partners in Education (NHPIE). Through the organizational skills of Sue Towne last year, our school was honored with the award for the tenth year in a row. Volunteers have contributed quality hours in the food services program, the Family and Consumer Sciences (home ec) program, the NEASC evaluation process, appreciation events, chaperoning student events, hours and hours of committee work. We are pleased that the NHPIE helps us celebrate your work.

To close I would like to recognize the people of the Hollis/Brookline High School. We have a special group of staff members. They did not miss a beat in their dedication to our students when the high school bond failed in March. In the initial observations of the evaluation team, our staff received "highest commendations for their individual decisions to shelter their students from the effect," in particular, of frequent changes in administrations, questions around the existence of the H/B Coop, and repeated failures to pass the new high school bond. We have a special group of students. Visitors invariably comment on how pleasant our young adults are, how friendly and outgoing. The NEASC evaluation team described our students as "poised, confident, articulate and happy." Thank you to all the people of the Hollis/Brookline High School.

Respectfully submitted,  
Ann Neal Rodriguez, Ph.D., Principal  
Hollis/Brookline High School

## 1995 GRADUATION AWARDS AND HONORS

### National Honor Society

Leah Adamowicz	Joanna Golding
Karen Araujo	Jennifer Harris
Beth Archer	Robyn Higgins
Jennifer Baker	Shelby Holka
Amy Bausha	Brendan LaFlamme
Alexandria Bergeron	Bryan Loveland
Christopher Bergeron	Stacey MacGill
Lisa Berry	Heather McGinnis
Britta Burton	Bretta Norton
Sarah Chapman	Julie Rogers
Christopher Cieto	Ramona Smith
Jennie Cook	Jesse Stabile
Christopher DeMelo	Matthew Stanizzi
Leah Dering	Kirsten Ware
Terry Desmarais	Chad Zingales

### Tri-M National Music Honor Society

Leah Adamowicz	Kevin Luce
Sirka Buscher	Heather McGinnis
Jennifer Connell	Bretta Norton
Matthew DiTrolfo	Jennette Schur
Jennifer Harris	Matthew Stanizzi
Brendan LaFlamme	Mary Stopas
Ricky Lovering	Chad Zingales

### National Merit Scholarship Commended Scholars

Karen Araujo	Joanna Golding
Jenny Baker	Bryan Loveland

### Granite State Challenge Participants

Jesse Stabile	Joanna Golding
Chris Cieto	Ryan Kelley
Jenny Harris	Bryan Loveland

### Hollis Women's Club Valedictorian Award

Joanna Golding

### Rotary Club of Nashua West

Joanna Golding

### Tandy Technology Scholars

Joanna Golding	Bretta Norton
----------------	---------------

### Tandy Award for Excellence in Math, Science, and Computer Science.

Joanna Golding

**Ruth E. Wheeler Scholarship**

## Colleges that accepted Hollis/Brookline High School 1995 Graduates

Air Force Academy	New England College
Albertus Magnus College	New Hampshire Technical College
American University	New Hampshire Technical Institute, Concord
Arizona State University	North Carolina State University
Art Institute of Dallas	Notre Dame College
Bates College	Oberlin College
Boston College	Ohio University
Boston University	Pennsylvania State University
Brandeis University	Plymouth State College
Bucknell University	Portland School of Art
Campbell University	Providence College
Canisius College	Purdue University
Carleton College	Quinnipiac College
Castleton State College	Rivier College
Champlain College	Rochester Institute of Technology
Clark University	Sacred Heart
Clarkson University	Salve Regina-The Newport College
Colby College	San Francisco Art Institute
Colby Sawyer College	School of the Museum of Fine Arts
College of the Holy Cross	Simmons College
Colorado State University	Skidmore College
Connecticut College	Smith College
Cornell University	Springfield College
Daniel Webster College	St. Anselm College
Dickinson College	St. Michaels College
Eastern New Mexico University	State University College at Potsdam
Endicott College	Syracuse University
Framingham State College	Trinity College
Franklin & Marshall College	Tufts University
Franklin Pierce College	Union College-NY
George Mason University	University of Arizona
George Washington University	University of Connecticut
Georgetown University	University of Delaware
Gordon College	University of Hartford
Hamilton College	University of Maine at Farmington
Haverford College	University of Massachusetts at Amherst
Hobart & William Smith Colleges	University of Massachusetts-Lowell
Ithaca College	University of Missouri
James Madison University	University of New Hampshire
Johnson State College	University of New Hampshire at Manchester
Keene State College	University of Rhode Island
Kent State University	University of Rochester
Lyndon State College	University of Southern Maine
Macalester College	University of Tampa
Maine College of Art	University of Vermont
Mansfield College	Valparaiso University
Maryland Institute College of Art	Vassar College
McGill University	Vermont Technical College
Merrimack College	Virginia Tech
Miami University	West Virginia Wesleyan College
